Dear Community Partner,

ViZion Dance International is dedicated to the development of individual purpose in talented artists and the global community through the promotion of self esteem, non-violence, and positive mental and physical health, while using dance as a visual stimulator. In addition, ViZion Dance International is committed to building a foundation for the individual artistic growth of dancers and choreographers desiring a professional career in the art form. Through training, collaboration, mentorship, performance, and passionate community involvement, artists will be enabled to make meaningful contributions to the art form and the global community. Led with integrity and purpose by visionary/ award-winning choreographer, Monique Barashango, ViZion Dance International, looks to inspire the world through thought provoking, meaningful and historic works personified through the art of dance. One such work is current project, "Obama. The Legacy. Reclaiming The Dream".

Well known for our community outreach endeavors, we provide mentally, physically and/or financially disadvantaged children and adults the opportunity to dance with a purpose and to enhance the quality of life of others (mentally, socially, and physically) through our humanitarian efforts. We are wholly committed to helping today's youth (and adults) to lead healthy and wholesome lifestyles in an effort to successfully acquire their "vision" and to inspire others to live a purpose driven life through their experiences. We also provide nutrition/ fitness workshops, personal training, and various styles of group aerobics (Senior, Children's, Kickboxing, Pilates, etc.) by certified fitness professionals. In addition, we are a **Non-profit, 501-c3** affiliated organization whose works have been profiled on CNN, Good Day Atlanta (Fox 5), People 2 People (WSB TV/ Channel 2), Atlanta Live (Channel 57), and many other print and TV media outlets.

With our high standard of excellence in theatrical dance performance and soul-stirring and innovative interpretation of music, ViZion has gained fans nationally and internationally! We are known for our unique fusion of various styles of dance including, but not limited to: Breakdancing, Hip Hop, Step, Bollywood, African, Jazz, Tap, Salsa, Mime, Modern, Liturgical and more!

Some of our members have overcome great odds to nurture the talent that they possess so that others could be healed through their testimonies. Some were even told they would never be able to walk, much less dance, but are now award winning dancers. They spend time volunteering at Juvenile Justice Centers, Hosea Feed The Hungry and Homeless events, Battered Women's shelters, National Sickle Cell Awareness functions, youth conferences as well as anti-bullying and anti-violence events.. Our annual event "Blaze The Floor" National Dance Battle and Tour is quickly gaining national popularity as we strive to "Stomp The Violence" in communities by utilizing discussion panels with popular artists along with positive dance and music as a visual stimulator!

Our performance excellence and hard work and dedication to positively impacting the lives of others has provided members with numerous honorable event invitations and awards to include: being selected as "America's Best Inspirational Dance Company", selected to perform at World AIDS Day 2014 (special guest, Michelle Obama), The Global Humanitarian World Summit (headliners), Bernice King's "Be A King" Foundation's "100 Days of Non-Violence" Culmination Celebration, The M L King Center's Kingonian Youth Non-Violence Expo and MLK Memorial Dedication, The Kennedy Center Honors, McDonald's "The Gift" (Featured guest artist), The National Black Arts Festival, The Sweet Auburn Festival, Summer Olympic Games, the movies "Joyful Noise" and "The Gospel", Superbowl (Atlanta, GA), Internationally syndicated Allstate Gospel Superfest TV show, The Sounds of Blackness Africa To America Tour, music videos, Disney Channel TV shows, workshops, and other special events. Our youth are members of the International Peace Syndicate project (produced by Grammy/ Emmy Award winning producers) which creates awareness of bullying and a need for global non-violence through the use of dance and song. In addition, our reknown hip hop crew were recruited by show producers to audition for several seasons of "America's Best Dance Crew" and was featured on several promotional videos for the show.

ViZion Dance is currently seeking sponsorship from individuals and businesses to assist with our touring, full-length ballet/ musical production, "Obama, The Legacy, Reclaiming The Dream, which celebrates global diversity through dance and music as inspired by the intriguing life of our Commander In Chief. Our community platform is "Anti-Bullying" which will be supported with the administering of free community dance and fitness workshops as well as Anti-Bullying panel discussions with community leaders and popular artists prior to each performance.

In return for sponsorship (various levels), ViZion will recognize our sponsors on our webpage (with company links), show tickets, banners, T-shirts, event flyers, e-mail links and by distributing promotional materials during events.

We look forward to you partnering with us to make a difference (through positive and dynamic, artistic programming) in the lives of youth and adults in the local, national, and international community! Please review the attached sponsorship opportunities and know that *your support is greatly* appreciated! Help us to continue to **"Change The World, One Step At A Time!"**

Sincerely Yours,
Team ViZion
